INTRODUCTION

Sorting Some Of The Wrights Of Southern Virginia is a multipart project. Each part will discuss a separate Wright family, beginning with the oldest known ancestor of that line. This work John Wright (Montgomery County), His Wife Mary (____) Wright, And His Descendants is a supplement to Part I of the project, 1763 Thomas Wright Of Bedford County, His Wife Mary (____) Wright, And His Descendants. The parents of John Wright (Montgomery County) remained unidentified when Part I was completed in 2003, but as will be set forth in the text, additional research since that time and Y-DNA sequencing have now identified his parents as 1815 Joseph Wright of Bedford County and Elizabeth (Kemp) Wright and his grandparents as 1763 Thomas Wright of Bedford County and Mary (____) Wright. This supplement to Part I thus extends Part I of the project.

The material for this project is organized in four sections. The first is the text, the second is the descendants charts, the third is the sources, and the fourth is a set of appendices.

The text provides full transcriptions of all documents and sources found for the individuals discussed, as well as explanations of the significance of documents and the evidentiary logic for conclusions that are not obvious on their face. Six generations of descendants are discussed. Every researcher has faced the frustration of an asserted identification without a source reference or explanation of the conclusion or with a source reference which when consulted turns out to say something different than what was claimed. By providing full transcriptions of sources, I hope to allow the reader to reach their own conclusions regarding the identifications given and avoid the need to search out the source, even though this adds considerably to the length of the text. When secondary sources are relied on, the person providing the information is listed.

The descendants charts are organized with the oldest ancestor in the first column and each descendant from that ancestor in the remaining columns, to the extent known. The basic data of date and place of birth, marriage, residence, and death are given for each individual. The sources for that information are also given for each individual, using code numbers to the source list. I have limited the descendants chart to eight generations to reduce the public disclosure of information about living persons. I will be happy to share the information on later generations with interested researchers.

The source list provides first a chronological listing of sources as they were found or consulted and second a listing by geographic area and type of source, such as birth records or death records. The chronological listing evolved from my early years in research and mistaken efforts at coding the source. By the time I realized the inappropriateness of the coding format, there was too much information in a pre-

computer era to correct the early references. The reader is left with the result and my apology.

The appendices list all of the known Wright documents for a particular type of record for a county in chronological order and include an identification of the Wright named in the record. These appendices have been published separately by Heritage Books, Inc., and to date have included Wright birth, marriage, personal property tax, census, deed, land tax, death, cemetery, and probate records for Bedford, Franklin, Campbell, and Prince Edward Counties, Virginia, the City of Lynchburg, and Appomattox, Amherst, Nelson, and Rockbridge Counties, Virginia. Other counties will follow in the future. The appendices allow a cross referencing of the known records to the person discussed. This is to avoid having the same record cited for two different persons who happened to have the same name and to provide a list of documents that have not been associated with any person and which might be inconsistent with asserted identifications.

The numerous Wrights found in the same geographic areas necessitated an identification system to keep their identities separated. The system selected early on was to list a person by their year of death and county of residence at death, when known. For example, "1767 Francis Wright of Amherst County" indicates that this was the Francis Wright who died in 1767 in Amherst County. If no state is listed after the county, the state is Virginia; counties in states other than Virginia have a state listed after the county, as in "1876 William S. Wright of Highland County, Ohio." A parenthetical after the name indicates an identification of the person when a place of death is not yet known, as in "John Wright (Goochland County Carpenter)." A county in parentheses after the name indicates the county with which that person was most identified when no evidence of the place of death has yet been found, as in "John Wright (Montgomery County)."

No work of this size is done without help. My friend Diane Smith has typed and revised over 90,000 pages of documents, text, and descendants charts, often from barely readable copies and nearly indecipherable handwriting. Together we have gone through almost every iteration of word processing program and media, including IBM, Wang, and Word Perfect, magnetic cards, 6½" floppies, 3½" floppies, flashsticks, and DOS. The evolution of technologies that are incompatible or no longer accessible supports my faith in the printed word.

Numerous other researchers have shared their records and research, often providing the breakthrough which permitted the identification of a person. I have attempted to recognize those fellow researchers by identifying their contributions in the text and source list. The quotations from published works are made with the permission of the author.

And my wife has patiently accepted the piling up of boxes of documents, notebooks filled with documents, text, descendants charts, and appendices and a work table piled with work to be done.

Thank you to all for your help and patience and I hope the reader finds that this work justifies the effort.

This is a work in process and I would be most interested in receiving additional information about any of the persons identified in these records in order to correct any errors or expand on the information given.

I. John Wright (Montgomery County), His Wife Mary (____) Wright, And His Descendants

John Wright (Montgomery County) was a son of 1815 Joseph Wright of Bedford County and his first wife Elizabeth (Kemp) Wright and a grandson of 1763 Thomas Wright of Bedford County and Mary (____) Wright (1763 Thomas[1], 1815 Joseph[2]).

As will be set forth below, John Wright (Montgomery County) resided in Montgomery from 1787 until 1839, when Pulaski County was formed from the part of Montgomery County in which he resided, and then resided in Pulaski County from 1839 until 1844 or 1845 when he probably died. Only one John Wright was listed in the Montgomery County Personal Property Tax Lists in those years, except for the following:

1) In 1810 a John Wright (B.F.) was also listed with John Wright (Montgomery County),

2) In 1816 a John Wright, Sr., and John Wright, Jr., were listed in the Joseph Reyburn List while John Wright (Montgomery County) was listed in the Cyrus Robinson List, the same list in which he had been listed in 1815,

3) In 1820 a John Wright was listed in the John B. Goodrich List while John Wright (Montgomery County) was listed in the William Curren List, and

4) In 1821 a John Wright, Sr., and John Wright, Jr., were listed in the John B. Goodrich List while John Wright (Montgomery County) was listed in the William Currin List.

Exceptions 2 and 4 are discussed more fully below.

As more fully set forth below, the will of 1815 Joseph Wright dated February 21, 1815, and probated on September 11, 1815, at Bedford County, Virginia, Superior Court Book A/15 listed John Wright as one of his children. John Wright, the son of 1815 Joseph Wright, was allotted two parcels of land from the estate of his father: the first was Lot number 11 consisting of 200 acres in Franklin County allotted in the Division and Allotment at Bedford County W.B. 4/255 dated June 22, 1816, and the second parcel was Lot number 8 consisting of 15 acres in Franklin County allotted in the Division and Allotment at Bedford County W.B. 4/262 dated August 22, 1816. On

November 5, 1816, at Franklin County, Virginia, Deed 7/559, John Wright of Montgomery County sold Lot number 8 to James Mays and on November 5, 1816, at Franklin County, Virginia, D.B. 7/560 John Wright of Montgomery County sold Lot Number 11 to James Mays. The significant reference in both deeds was the description of John Wright as of Montgomery County.

The only John Wright in Montgomery County in 1816 who could have been the grantor of these deeds was John Wright (Montgomery County), which identifies him as the son of 1815 Joseph Wright of Bedford County.

Two sets of evidence that pose potential contradictions of that conclusion need to be addressed.

The first set of evidence is the listing of John Wright, Sr., and John Wright, Jr., in the 1816 and in the 1821 Montgomery County, Virginia, Personal Property Tax Lists. These John Wrights were father and son and can be traced from Frederick County to Rockbridge County to Bedford County to Montgomery County and then to Russell County, Virginia. The marriage record of John Wright and Martha McLaughlin was dated on January 23, 1810, at Rockbridge County, Virginia. The 1810 Census for Rockbridge County, Virginia, listed John Wright with one male over 45 years of age and one male age 26 to 45. These two males were John Wright, Sr. (Russell County) and his son John Wright, Jr. (Wise County). The 1811 Personal Property Tax List for Rockbridge County, Virginia, listed John Wright, Jr., and the 1812 Personal Property Tax List for Rockbridge County, Virginia, listed John Wright. The 1813 Personal Property Tax List for Bedford County listed John Wright and John Wright, Jr., on April 12, 1813, in the Northern District. The 1814 Personal Property Tax List for Bedford County listed John Wright, Sen., and John Wright, Jr. in the John Wharton or Northern District. As set forth above, the 1816 Personal Property Tax List for Montgomery County, Virginia, listed John Wright, Sr., and John Wright, Jr., in the Joseph Reyburn List. The 1820 Census for Montgomery County, Virginia, listed John Wright, Sr., age 45 or older, and John Wright, Jr., age 26 to 45. The 1821 Personal Property Tax List for Montgomery County, Virginia, listed John Wright, Sr., and John Wright, Jr., in the John B. Goodrich District. The 1840 Census for Russell County,

Virginia, listed John Wright, Sr., age 60 to 70. The designation of this John Wright as "Sr." indicates that his father, formerly known as John Wright, Sr., had died between 1821 and 1840 and his son John Wright, formerly known as John Wright, Jr., then became known as John Wright, Sr. The 1850 Census for Russell County, Virginia, listed John Wright, Sr., age 65 and born in Frederick County, Virginia, with wife Patsey, age 60 and born in Rockbridge County, Virginia. This is clearly John Wright, Jr., and his wife Martha (McLaughlin) Wright of the 1810 Rockbridge County marriage record. Their oldest child in the household was listed as George Wright, age 22 and born in Russell County, Virginia, indicating their move to that county by about 1828. The marriage record of Paris Wright and Mary ____ in 1845 in Wise County listed his parents as John Wright and Martha McLaughlin. The 1850 Census for Russell County, Virginia, listed Parris Wright and his wife Polly Wright immediately adjacent to John Wright, Sr., and his age as 28 and born in Montgomery County, Virginia, which is consistent with John Wright, Jr.'s listing in the 1821 Montgomery County, Virginia, Personal Property Tax List. This trail of records makes clear that the John Wright, Sr., and John Wright, Jr., of the 1816 Montgomery County, Virginia, Personal Property Tax List were a different family from that of 1815 Joseph Wright of Bedford County and simply happened to reside in Montgomery County from 1816 to about 1822 during their migration from Frederick County to Rockbridge County to Bedford County to Montgomery County and to Russell County, Virginia. Therefore, neither of these John Wrights could have been the grantor of Bedford County Deeds 7/559 and 7/560.

The second set of evidence that needs to be addressed is several listings in the Franklin County, Virginia, Personal Property Tax Lists of a John Wright, son of J. Wright. The 1804 Personal Property Tax List had "John Wright J son", the 1805 List had "John Wright JS", the 1806 List had "John Wright J son", and the 1807 and 1809 Lists had "John Wright Jur". These listings might have been referring to John Wright, son of 1815 Joseph Wright, which would then place that John Wright in Franklin County at the same time that John Wright (Montgomery County) was listed as resident in Montgomery County. When Sorting Some Of The Wrights Of Southern Virginia, Part I was written, there was no other possible John Wright who was a son of a J. Wright

known to reside in Franklin County other than John Wright, the son of 1815 Joseph Wright of Bedford County. However, later research established that 1845 John Wright of Franklin County had a son 1848/50 John Wright of Muhlenberg County, Kentucky, who married in 1805 and resided in Franklin County until 1810 and then moved to his land in Muhlenberg County which he had purchased in 1809. This information is set forth in Sorting Some Of The Wrights Of Southern Virginia, Part III: 1809 William Wright Of Franklin County. The result is that the "John Wright J son" of those Franklin County Personal Property Tax Lists was 1848/50 John Wright of Muhlenberg County, Kentucky, and not John Wright (Montgomery County) and there is, therefore, no inconsistency in the listings.

The conclusion seems fair that John Wright (Montgomery County) was the son of 1815 Joseph Wright of Bedford County. As will be set forth below, this John Wright was born before 1766 and probably between 1760 and 1765 and, therefore, would be 1815 Joseph Wright's son by his first marriage to Elizabeth (Kemp) Wright.

This conclusion has now been confirmed by DNA testing set forth at the Wright DNA Project. One descendant of 1763 Thomas Wright of Bedford County, Virginia, is Frank Easly Wright, Kit No. 42281. His line of descent is through 1815 Joseph Wright of Bedford County and his son 1844 Joseph Wright of Hardin County, Kentucky. A second descendant of 1763 Thomas Wright of Bedford County, Virginia, is James Dillon Wright, Kit No. 126181. His line of descent is through 1815 Joseph Wright of Bedford County and then John Wright (Montgomery County). Their Y-DNA sequences match at 36 of 37 markers and confirm that they descend from a common ancestor, who would be 1815 Joseph Wright of Bedford County, Virginia. A chart showing these lines of descent has been prepared by Jeffrey A. Wright and appears on the following page:

This Y-DNA match, in conjunction with the documentation set forth above, conclusively establishes that John Wright (Montgomery County) was a son of 1815 Joseph Wright of Bedford County.

Although the parcel is described as fifty rather than fifteen acres, it is clearly Lot number 8 that is being sold.

The significant fact in these sales is that John Wright was described in each deed as of Montgomery County, Virginia. On September 2, 1824, at Bedford County, Virginia, County Court Loose Papers a summons was issued against the heirs of Joseph Wright to answer the complaint of Peter Dent for land with a notation in February 1828 that the case was ready as to all except John Wright:

> "The Common Wealth of Virginia to the Sheriff of Bedford County greeting: We Command you that you summon Thomas Wright Joseph Wright William McCormack Judith McCormack James Mayse Patsy Mayse Joseph Meador Jubal Meador Matthew Wright Wright Wright Samuel Mayse & Agness his wife Joel Simmonds & Bersheba his wife Martin Greer & Mary Greer his wife to appear before the Justices of our court of our said County at the courthouse thereof on the fourth monday in November to answer a bill in chancery exhibited against them by Peter Dent - And this they shall in no wise omit under the penalty of £100 - And have then there this Writ Witness James Steptoe Clerk of

our said Court the 2d day of September 1824. In the 49th Year of our Independence

Ready as to all but John Wright. P.RG: __ Feby 1828."

A tentative identification of this John Wright as 1839 John A. Wright of Franklin County was made by William Pullen in his pamphlet Virginians and Hoosiers: Abshires, Hustons, and Wrights, Bedford, Franklin, Virginia and Union, Hamilton Counties, Indiana, 1977. However, that identification was incorrect and that 1839 John A. Wright of Franklin County, Virginia, was the son of 1830 William Wright of Franklin County and the grandson of 1809 William Wright of Franklin County. This conclusion is based on a clear identification of 1839 John A. Wright as a son of William Wright in the Franklin County, Virginia, Land Tax Lists, as set forth in Sorting Some Of The Wrights Of Southern Virginia, Part III: 1809 William Wright Of Franklin County.

This is a typical arrangement between aging parents and a child to assure the parents' support in their old age and strongly indicates that Lorenzo D. Wright was their son. The 1845 Personal Property Tax List for Pulaski County, Virginia, listed a John R. Wright, but it is unclear whether this was the same person as John Wright (Montgomery County). The 1846 and later Personal Property Tax Lists for Pulaski County, Virginia, did not list a John Wright. His absence from those lists and other Pulaski County records indicates that he had either moved or had died in approximately late 1844 or early 1845. No records of an administration of his estate have yet been found in Pulaski County, Virginia.

The 1845 Land Tax List for Pulaski County, Virginia, listed John Wright with the following property:

The land sold by John and Mary Wright by Pulaski County Deed I/594 continued to be listed as owned by John Wright because the deed was not recorded until May 7, 1846.

In his letter dated September 1, 2005, Tony Havens stated that the death record of Ann M. Gowan was dated on June 28, 1854, at Roanoke County, Virginia, and listed the following information for her:

Cause of death:	Cancer
Age:	71 years
Names of parents:	Paul and Mary M Gowan
Marital Status:	Unmarried
Born:	Virginia
Residence:	Millers Cove
Informant:	Mrs. Jo Wright, niece

This is clearly the same person as the Ann M Gower of Montgomery County Deed O/278 and the Ann McGowan listed in the Joseph Wright household in the 1850 Census for Roanoke County and the listing of the informant Mrs. Joseph Wright as the niece of Ann M. Gowan identifies the wife of 1856 Joseph Wright of Roanoke County as Mary (McGowan) Wright. In addition, the death record of Joseph Wright dated May 24, 1856, at Roanoke County, Virginia, listed his parents as John Wright and M. Wright:

"Name in full: Jos Wright
Color: White
Sex: Male
Date of Death: May 24, 1856
Name of Disease or Cause of Death: Cancer
Age: 57 yrs 2 mos 14 days
Name of Parents: Jno & M Wright
Where Born: Montgomery
Occupation: Farmer

Consort of, or Unmarried: Mary Wright
Identification of Informant: Wife"

This record identifies 1856 Joseph Wright of Roanoke County as a son of John and Mary Wright and, therefore, indicates that John Wright was residing in Montgomery County in 1799.

In a letter dated September 13, 2005, the Clerk of the Circuit Court of Pulaski County, Virginia, stated that there were no Wrights listed in the Index of Fiduciary Records for the period from 1800 to 1900.

From the evidence set forth above and additional evidence set forth below, the children of John Wright (Montgomery County) and Mary (____) Wright can be identified as follows:

1) probably John Wright, born between 1765 and 1784,
2) Perrien Wright, born in about 1784 in Virginia,
3) probably Phereby (Wright) Smith, born probably before 1789,
4) Smith Wright, born between 1790 and 1794,
5) Nancy (Wright) Mullin, born between 1784 and 1794,
6) probably Surfrancis D. Wright, born between 1794 and 1800,
7) Joseph Wright, born on March 10, 1799, in Montgomery County, Virginia,
8) probably Charlotte (Wright) Lewis, born between 1794 and 1800,
9) ____ Wright, a son, born between 1800 and 1810,
10) ____ Wright, a son, born between 1800 and 1810,
11) Lorenzo Dow Wright, born in about 1807 in Virginia,
12) ____ Wright, a daughter, born between 1800 and 1810,
13) ____ Wright, a daughter, born between 1800 and 1810,
14) probably James Wright, born between 1810 and 1820, and
15) Mary (Wright) Walters.

A. Probably John Wright And His Wife ____ (____) Wright

John Wright was probably a son of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

The 1810 Personal Property Tax List for Montgomery County, Virginia, listed John Wright (B.F.) with the following household:

Persons names chargeable with tax	All Blacks above 12 Years Old	Horses Mares Colts &c &c	4 Wheell Carriages	2 Wheel Carriages
John Wright (B.F.)		1		

No.	Rates pr. Season	Amt of Tax $ Cents
		.12

It is as yet unclear what "B.F." stands for. This is the typical listing for a young man forming his household.

The 1810 Census for Montgomery County, Virginia, listed two John Wrights, one of whom was John Wright (Montgomery County) and the second of whom was listed as John Wright, Jr., with the following household:

Name of Head of Family	Free White Males	Age	Free White Female	Age	All Other Free Persons	Slaves
Jno Wright, Jr.	1	26-45	1	26-45		

This record indicates that John Wright and ____ (____) Wright were born between 1765 and 1784. This listing is consistent with the 1810 Personal Property Tax List and indicates that John Wright was probably married in 1809 and established his separate household by early 1810. However, no marriage record has as yet been found for this John Wright. The listing of John Wright as "Jr." may indicate that he was a son of John Wright (Montgomery County), but may also have simply been indicating that he was younger than John Wright (Montgomery County). Nevertheless, there is substantial circumstantial evidence that this John Wright was probably the son of John Wright (Montgomery County) and Mary (____) Wright. First, the common location of these two John Wrights in Montgomery County and the absence of other Wright families in Montgomery County in 1810 suggest a family relationship. Second, the range for the

year of birth of this John Wright is consistent with the ages of the other children of John Wright (Montgomery County). As set forth below, Perrien Wright was born in 1784 and this John Wright was born before 1784. Given his marriage in about 1809, a date of birth in about 1782 would be likely. Third, the common given name of John and the use of "Jr." in his description in the1810 Census suggest a father son relationship. And there is no record of John Wright (Montgomery County) having any other child named John. Fourth, the apparent marriage in 1809 and establishment of his own household in 1810 is typical of sons marrying and moving from their parents' household. Taken together, this circumstantial evidence suggests that this John Wright was the son of John Wright (Montgomery County) and Mary (____) Wright, but further research will be required to confirm this identification.

The 1811 and later Personal Property Tax Lists for Montgomery County, Virginia, did not list this John Wright, indicating that he had probably moved away from Montgomery County in late 1810 or early 1811.

No further documentation regarding this John Wright has as yet been found.

B. 1850 Perrien Wright Of Lawrence County, Tennessee, His Wife Mary Ann (Horton) Wright, And His Descendants

1850 Perrien Wright of Lawrence County, Tennessee, was a son of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

The marriage record of Perien Wright and Mary Horton was dated on January 14, 1805, at Montgomery County, Virginia, with John Wright as surety:

> "Know all men by these presents that we Perien Wright John Wright and Isaac Horton are held and firmly bound unto John Page Esquire Governor or chief magistrate of the Commonwealth of Virginia in the just and full sum of one hundred and fifty Dollars, to which payment well and truly to be made to our said Governor and his Successors for the use of the Commonwealth. >
> The Condition of the above Obligation is such that whereas the above bound Perien Wright hath this day Obtained a license for his marriage with Mary Horton

now if there shall be no lawful cause to obstruct said marriage then this Obligation to be Void Else to remain in full force & virtue.

The role of surety typically indicated a family relationship and this record indicates that Perrien Wright was probably a son of John Wright (Montgomery County). If Perrien Wright was at least 18 years old at the time of his marriage, then his birth was probably before 1788.

Tennesseans In The War Of 1812 by Byron and Samuel Sistler listed Perryan Wright as a private under Captain A. Breden and Colonel S. Bunch in the East Tennessee Militia in the War of 1812.

This record identifies William B. Wright and L. D. Wright as sons of 1850 Perrien Wright of Lawrence County, Tennessee.

"Wayne County, Tennessee, Power Of Attorney Records" listed the following power of attorney from Mary Wright to Perrin Wright, Jr., dated May 30, 1859:

"Mary Wright, widow of Perin Wright dec'd, and one of the children and heirs of Isaac Horton, dec'd have made Perrin Wright, Jr. of County of Lawrence, state of Tennessee my true and lawful attorney to receive due from the estate of Horton.

In August 1859 at Lawrence County, Tennessee, Minute Book 1858-65/103 the court set aside a prior sale of the land of Perrin Wright to William B. Wright because minor heirs of Perrin Wright had not been made subject to the jurisdiction of the court:

"William B. Wright)

Although the petition incorrectly stated that Mary (Horton) Wright died prior to Perrien Wright, it does identify the family of Perrien Wright as follows:

Children:
1) Alonzo D. Wright,
2) William B. Wright,
3) Jerimin Wright,
4) John E. Wright,
5) Lovice Wright, and

Grandchildren, children of Jerimin Wright:
1) Lovice Wright,
2) Fensleh Wright,
3) Burnice Wright
4) Loranza Wright,
5) Mary Wright,

6) Virginia Wright, and

Grandchildren, children of John E. Wright:

1) Cynthia Wright,
2) William Wright,
3) Ambros Wright,
4) John E. Wright, Jr.,
5) Elizebeth Wright, and
6) Jacob Wright.

This record also indicates that Perrien Wright died in the fall of 1850, but the statement that administration of the estate was granted in 1850 makes the statement regarding the date of death suspect, since as set forth above administration was granted on March 3, 1851.

In September 1876, at Lawrence County, Tennessee, Probate Loose Papers, the court ordered notice to be published for the out of state defendants:

"Williams, Martin)
vs)
Lovice Wright Et al)

This cause was heard this day before the Honl C. B. Davis Judge upon the Petition of Petitioners. And it appearing to the Court from said Petition which is Sworn to & true Lovice Wright, Fensleh Wright, Burnice Wright, Lorenza Wright Mary Wright and Virginia Wright the children and heirs at Law of one Jeremin Wright decd and Cynthia Wright, William Wright, Ambros Wright John E. Wright Elizibeth Wright, and Jacob Wright the Children and heirs at Law of John E. Wright Sr decd are all non-resident of the state of Tennessee so that the ordinary process of Law cannot be served upon them.

It is therefore ordered by the Court that Publication be made for four consecutive weeks in "the Free Press" a newspaper Published in Lawrenceburg Lawrence County Tennessee requiring the said Defendants to be and appear before the County Court of said County to be holden at the Court House in the Town of Lawrenceburg on the first Monday in October 1876 And then and there plead Answer or demur to the Petition of said Petitioners or the same will be taken as Confessed as to said Defendants and set for hearing Ex parte as to them."

In October 1876 at Lawrence County, Tennessee, Probate Loose Papers, the clerk reported that William Martin owned three-fifths of the land of Perrin Wright and the land was not capable of division:

"William Martin)
vs)
Lovice Wright & others)

In this case the undersigned Clerk reports that he in pursuance to a Decree of your honorable Court, rendered at the present term, requiring him to take proof, ascertain & report, whether or not Petitioner Wm Martin is the owner of three shares in the lands described in the Petition & if so from whom he purchased the same, and whether or not said land can be partitioned among the several heirs entitled thereto without injury to the value thereof or whether or not it would be to the interest of the owners to sell the same & divide the proceeds: has taken the Depositions of two competant & disinterested witnesses to wit: Jas M Green S. A. Carrell, & from the testimony of said witnesses & the deeds on file, that the Petitioner Wm Martin is the owner of three fifths of said lands; one fifth by right of purchase of the interest of Alonzo D. Wright, one fifth by right of purchase of W. B. Wrights interest & one fifth by the right of purchase of Lovice May, formerly Lovice Wrights interest & that said lands cannot be partitioned & divided between the said Wm. Martin & the owner of the other two shares, without injuring the value thereof because the whole of said lands is not more than sufficient for one home or settlement, being generally barren or up land & mostly poor, and from these facts said land should be sold & sold in a body or one tract.

Submitted October Term 1876

W. A. Gilmore Clerk"

In October 1876 at Lawrence County, Tennessee, Probate Loose Papers, a list of the children of the deceased children of Perrien Wright was filed indicating that they were all now adults:

"Wm Martin vs Lovice Wright & others
Wm Martin entitled to 3 Shares, or 3/5 of the proceeds of the land.

John Wrights heirs	1/5
Jemima Wrights heirs	1/5

John Wrights heirs		Jemima Heirs

2	Finsleh	2	William
3	Bushnell	3	Ambrose

4	Loranzo	4	John E
5	Mary	5	Elizabeth
6	Virginia	6	Jacob

All now of full age"

The lists appear to have the children reversed between John E. Wright's children and Jerimin Wright's children, mis-described as Jemima.

On October 14, 1876, at Lawrence County, Tennessee, Probate Loose Papers, the court set the petition for the sale of the land of Perrien Wright for hearing without the out of state defendants:

"William Martin)

The deposition of James M Green taken in the above case, upon an order of referance by consent of the parties, and in the presence of the attorney of petitioner, the said witness being first sworn deposes and says.

Question 1. Please state your age & residence

Ans. My age is 46 year, and reside in the 9th Civil District of Lawrence County Tenn.

Question 2 State if you are acquainted with the tract of land in said district Known as the Perrine Wright tract, and now occupied by Wm Martin?

Ans. I am acquaned with the land mentioned in the question 2

Question 3 Please state wheather or not said land can be advatageouly divided among the heirs of Perrine Wright, or wheather or not it would be to their interest to sell the same(?) and divide the proceeds and would said tract of land make more than one home?

Ans. The tract of land is upland and what is usually known as barren land, it would not make but one home, and therefore to divide the same would materially injure the value, it would be to the interest of the owners to sell said land in one tract, as any division of the same would in my opinion injure the value of the land, and further this deponant said not.

"William Martin)
vs) Dep. of S A Canill
Lovis Wright & others)

The deposition of S A Canell taken in the above case on this the 17th day of October 1876 before the Clerk at his office in Lawrenceburg upon an order of refferance in the above Case, who being first duly sworn deposes and says.

Question 1 State your age and residence and if you are acquainted with a tract of land Granted to Perrine Wright by Grant No 19324, for 186 acres, lying and in the 9th Civil district of Lawrence County?

Answer. I am 59 years of age, reside in Lawrence County Tennessee. I do not know that I am specially acquainted with the land covered by grant No. 19324, but I have a general acquaintance with the lands in that Neighbourhood, and have a toloble knowledge of its location. The land in that neighbourhood are generally poor or barren lands except a few small spots of tolerable land.

Question Please state wheather or not said 186 acres of land could be divided so as give a home to more than one family or would it be to the interest of the owner to sell the same, and divide the proceeds, and if sold, should it be sold in one or more tracts?

Ans. I do not think that much if anything could gained by dividing said land, and as far as homes are concerned the whole tract would not make more than a tolerable home, and think but little could be gained, as to the interest of the owners to divide the land and if sold, I think it should be sold in one tract, and further this deponent saith not.

Although the head of the household J. E. Wright was listed as 32 years old, that would have made him 10 years old at the birth of J. B. Wright listed in the same household and indicates that the correct age of 52 was miscopied as 32. In other respects, the household and children correspond to the listings in the 1850 Lawrence County, Tennessee, census, except for Daniel H. Wright, who had apparently died, and identifies this household as that of John E. Wright. This record indicates that John E. Wright was born in about 1808, if the miscopied age was 52, and that Martha (____) Wright was born in about 1818.

The 1870 Census for Decatur County, Tennessee, listed Martha Wright with the following household on August 19, 1870:

4) Daniel H. Wright, born in about 1844,

5) Ambrose L. Wright, born in about 1846, and

6) John E. Wright, Jr., born in about 1848.

In the "Clayton/Wright - Joiner/Ward Family History" at Ancestry.com Delborah Miles stated that John E. Wright was a son of Perrin M. Wright and Mary Ann (Horton) Wright, was born in 1808 in Hawkins, Tennessee, married Martha Adkinson on September 25, 1836, in Lawrence County, Tennessee, resided in 1850 in Lawrence County, Tennessee, and died in 1853 in Illinois or Arkansas, that Martha (Adkinson) Wright was born in about 1817 in probably Tennessee, and that John E. Wright and Martha (Adkinson) Wright had the following children:

1) Elizabeth Wright,

2) Jacob Wright, born in about 1837 probably in Tennessee,

3) James Wright, born in about 1838,

4) Cynthia L. Wright, born in about 1840,

5) William B. Wright, born in about 1842,

6) Daniel H. Wright, born in about 1844,

7) Ambrose L. Wright, born in about 1846 probably in Lawrence County, Tennessee, and

8) John E. Wright, Jr., born in about 1848 probably in Lawrence County, Tennessee.

Wright (Perrin, Sr.) Family Genealogy by Blanche Aphecetche stated that John E. Wright was a son of Perrin Wright and Mary (Horton) Wright, was born in about 1808 in Anderson County, Tennessee, and married Martha Adkisson on September 10, 1834, in Lawrence County, Tennessee, and that John E. Wright and Martha (Adkisson) Wright had the following children:

1) James Wright, born in about 1838,
2) Cynthia A. Wright, Born in about 1840,
3) William B. Wright, born in about 1842,
4) Daniel H. Wright, born in about 1844,
5) Ambrose L. Wright, born in about 1846, and
6) John E. Wright, Jr., born in about 1848.

From the evidence set forth above and additional evidence set forth below, the children of John E. Wright and Martha (Atkinson or Adkisson) Wright were the following:

1) James. B. Wright, born in about 1838 in Tennessee,
2) Cynthia A. Wright, born in about 1840 or 1831 in Tennessee,
3) William B. Wright, born in March 1842 or in about 1843 in Tennessee,
4) Daniel H. Wright, born in about 1844 in Tennessee,
5) Ambrose L. Wright, born in about 1846 or 1847 in Tennessee,
6) John E. Wright, born in about 1848 or 1849 in Tennessee,
7) M. Elizabeth Wright, born in about 1852 or 1853 in Tennessee, and
8) Jacob G. Wright, born in about 1858 in Tennessee.

a. James B. Wright

James B. Wright was a son of John E. Wright and Martha (Atkinson) Wright, (1763 Thomas[1], 1815 Joseph[2], John[3], 1850 Perrien[4], John E.[5])

The 1850 Census for Lawrence County, Tennessee, listed James Wright in the John E. Wright household on November 28, 1850, and his age as 12 and born in Tennessee, indicating a date of birth in about 1838.

Tennessee State Marriages, 1780-2002 listed the marriage of James G. Wright and Elizabeth R. Rutherford on September 8, 1851, at Wilson County, Tennessee, and as set forth below, this marriage has been attributed to James B. Wright. However, there are several reasons to doubt this identification. First, the middle initial of this James Wright was listed as G. rather than B. Second, the marriage occurred in 1851 when James B. Wright was only 13 years old. Third, James B. Wright was listed in the John E. Wright household on July 26, 1860, nine years after this marriage but without a wife Elizabeth R. (Rutherford) Wright. And fourth, the marriage occurred in Wilson County, Tennessee, which is a substantial distance from either Lawrence County, Tennessee, where James B. Wright resided in 1850, or Decatur County, Tennessee, where James B. Wright resided in 1860.

The 1860 Census for Decatur County, Tennessee, listed J. B. Wright in the J. E. Wright household on July 26, 1860, and his age as 22 and born in Tennessee, indicating a date of birth in about 1838, and his occupation as farmer.

On September 6, 1876, at Lawrence County, Tennessee, Probate Loose Papers, William Martin filed his petition for the sale of the land of Perrin Wright:

> "To the Honl C. B. Davis Judge &c Sitting at Lawrenceburg for the County of Lawrence, State of Tennessee
>
> The Petition of William Martin a Citizen of Said County of Lawrence against Fensleh(?) Wright, Lovis Wright, Burnie, Wright Loreno, Wright Mary Wright and Virginia, Wright Citizens of the State of Indiana, Cynthia Wright William Wright, Ambrose Wright, John E. Petitioner further states that Jerimin Wright one of said five Children died Intestate many years ago, leaving no widow but leaving the Defendants Lovice Fensleh, Burnice Loranza, Mary, and Virginia his only heirs at Law and entitled to one Share in said Tract of - Land That John E. Wright Sr died in the state of Illinois some time in the year 1853, leaving Him Surviving the Defendants Cynthia, William, Ambros, John E. Jr Elizebeth and Jacob Wright His only children and heirs at Law and who are also as such Heirs entitled to one fifth of said Tract of Land.
. . . . ."

The absence of James B. Wright among the surviving children of John E. Wright indicates that James B. Wright had probably died before September 6, 1876.

In her Ancestry World Tree Project posting dated April 24, 2003, Lana Trussell stated that James Wright was a son of John E. Wright and Martha (Atkinson) Wright, was born in 1838, and married Elizabeth Rutherford.

In his WorldConnect posting dated July 26, 2004, Daniel Harnden stated that James Wright was a son of John E. Wright and Martha (Adkisson) Wright, was born in about 1838, and married Elizabeth Rutherford.

Wright (Perrin, Sr.) Family Genealogy by Blanche Aphecetche stated that James Wright was a son of John E. Wright and Martha (Adkisson) Wright, was born in about 1838, married Elizabeth Rutherford, and resided in Lawrence County, Tennessee.

b. Cyntha A. Wright

Cyntha A. Wright was a daughter of John E. Wright and Martha (Atkinson) Wright, (1763 Thomas[1], 1815 Joseph[2], John[3], 1850 Perrien[4], John E.[5])

The 1850 Census for Lawrence County, Tennessee, listed Cyntha A. Wright in the John E. Wright household on November 28, 1850, and her age as 10 and born in Tennessee, indicating a date of birth in about 1840.

The 1860 Census for Decatur County, Tennessee, listed S. A. Wright in the J. E. Wright household on July 26, 1860, and her age as 19 and born in Tennessee, indicating a date of birth in about 1841.

On September 6, 1876, at Lawrence County, Tennessee, Probate Loose Papers, William Martin filed his petition for the sale of the land of Perrin Wright:

"To the Honl C. B. Davis Judge &c Sitting at Lawrenceburg for the County of Lawrence, State of Tennessee

Petitioners would respectfully State that Perrin Wright died intestate in Lawrence County Tennessee in the Fall of 1850 leaving Him Surviving five Children to wit: Alonzo, D. Wright, William, B. Wright Jerimin Wright, John E. Wright S__ and Lovice Wright and Seized and possessed of One hundred and eighty three acres of Land, lying and being in Lawrence County in Civil District No 9. The Title Papers thereto will be filed on or before the hearing of this cause and when filed made a part of this Petition.

Jr Elizebeth and Jacob Wright His only children and heirs at Law and who are also as such Heirs entitled to one fifth of said Tract of Land.

. . . . ."

This record identifies Cynthia Wright as a daughter of John E. Wright and granddaughter of 1850 Perrien Wright of Lawrence County, Tennessee.

In September 1876, at Lawrence County, Tennessee, Probate Loose Papers, the court ordered notice to be published for the out of state defendants:

"Williams, Martin)

This cause was heard this day before the Honl C. B. Davis Judge upon the Petition of Petitioners. Wright (Perrin, Sr.) Family Genealogy by Blanche Aphecetche stated that Cynthia A. Wright was a daughter of John E. Wright and Martha (Adkisson) Wright and was born in about 1840.

c. 1930 William B. Wright Of Henderson County, Tennessee, His Wife Margaret A. (Miller) Wright, And His Descendants

1930 William B. Wright of Henderson County, Tennessee, was a son of John E. Wright and Martha (Atkinson) Wright, (1763 Thomas[1], 1815 Joseph[2], John[3], 1850 Perrien[4], John E.[5])

The 1850 Census for Lawrence County, Tennessee, listed William B. Wright in the John E. Wright household on November 28, 1850, and his age as 8 and born in Tennessee, indicating a date of birth in about 1842.

The 1860 Census for Decatur County, Tennessee, listed W. B. Wright in the J. E. Wright household on July 26, 1860, and his age as 17 and born in Tennessee, indicating a date of birth in about 1843.

The 1870 Census for Decatur County, Tennessee, listed William B. Wright in the Martha Wright household on August 19, 1870:

The listing of William B. Wright out of age order and with a female of similar age immediately after his name was a typical method of indicating a husband and wife and this record indicates that William B. Wright had probably married Margaret A. Miller before August 15, 1870. This record also indicates that William B. Wright was born in about 1844 and that his occupation was farm laborer and that Margaret A. (Miller) Wright was born in about 1846.

On September 6, 1876, at Lawrence County, Tennessee, Probate Loose Papers, William Martin filed his petition for the sale of the land of Perrin Wright:

The 1910 Census for Henderson County, Tennessee, listed Willie M. Huckleby and Maggie M. Huckleby in the William B. Wright household on April 21, 1910, their relationship as grandson, although that should properly be grandson and granddaughter, and their ages as 12 and 15 respectively, and that William B. Wright's wife Margret Wright was the mother of 4 children of whom 2 were then living. This record confirms that Mary E. Wright had married W. C. Huckabee or Huckleby and indicates that she had died before April 21, 1910.

a. <u>Possibly 1908 Perrin M. Wright Of Maury County, Tennessee, His Wives Sarah M. (Richardson) Wright, Mary E. (Reed) (Cross) Wright, Priscilla J. (Cox) Wright, And Sarah Adline (Duke) Wright, And His Descendants</u>

1908 Perrin M. Wright of Maury County, Tennessee, was possibly a son of Lorenzo Dow Wright and Elizabeth Lucinda (Hill) Wright. (1763 Thomas[1], 1815 Joseph[2], 1850 Perrien[3], Lorenzo Dow[4])

About.com in discussing the meaning and origin of the name Perrin stated that the given name Perrin is a diminutive of the French name Pierre and derived from the Greek word "petros", meaning rock or stone.

Perrin M. Wright has often been identified as a son of 1850 Perrien Wright of Lawrence County, Tennessee, and Mary Ann (Horton) Wright. That has been based on two pieces of evidence.

First, as set forth below, the 1850 Census for Lawrence County, Tennessee, listed Perren Wright, age 19 and born in Tennessee, in the household of Perren Wright, age 66 and born in Virginia. Although the presence of Perren Wright in this household and the similarity of given names indicate a family relationship, no relationship was listed in that census. While Perren could be a son, his date of birth indicates that he could also be a nephew or grandchild.

Second, as set forth below, on Mary 6, 1859, Mary Wright, the "widow of Perin Wright dec'd", appointed Perrin Wright, Jr., as her attorney in fact to collect what was due to her from the estate of Isaac Horton. A power of attorney was typically given to a relative, which indicates that Perrin Wright, Jr., could be a son, but he could also be a nephew of grandson. The use of the term "Jr." might indicate a father/son relationship, but Sr./Jr. was at that time often used in the sense of older/younger as well.

Neither piece of evidence clearly identifies 1908 Perrin Wright of Maury County, Tennessee, as a son of 1850 Perrien Wright of Lawrence County, Tennessee, although both indicate some sort of family relationship.

And, as set forth above, the 1876 petition for the sale of the land of 1850 Perrien Wright of Lawrence County, Tennessee, listed only five children, not including Perrin M. Wright. As set forth below, 1908 Perrin M. Wright of Maury County, Tennessee, resided in 1860 in Lawrence County, Tennessee, in 1870 in adjacent Lewis County, Tennessee, and in 1880 in adjacent Maury County, Tennessee, and, therefore, would have been known to be alive and residing nearby when the 1876 petition for the sale of 1850 Perrien Wright's land was filed in Lawrence County, Tennessee. There would be little chance that if 1908 Perrin M. Wright were a son of 1850 Perrien Wright, he would have been lift off of the petition's list of children.

If 1908 Perrin M. Wright was not a child of 1850 Perrien Wright, then he might have been a nephew of grandson.

If 1908 Perrin M. Wright were a nephew of 1850 Perrien Wright, then the only brother of 1850 Perrien Wright who might be 1908 Perrin M. Wright's father would be John Wright, the probable son of John Wright (Montgomery County). As set forth above, John Wright (Montgomery County) probably had a son John Wright who was married probably in about 1809 and moved away from Montgomery County in late 1810 or early 1811. Perrien Wright moved away from Montgomery County probably shortly after his marriage in 1805. It would be common for a brother to name one of his children after a brother and probable if the brothers moved from Montgomery County, Virginia, near in time to each other and perhaps to the same new geographic area. While this is speculation, it suggests that Perrien M. Wright might be a son of John Wright and grandson of John Wright (Montgomery County). However, no document has as yet been found tracing John Wright, the probable son of John Wright (Montgomery County), beyond Montgomery County, Virginia, in 1810, no documentation has been found connecting this John Wright to Lawrence County, Tennessee, and the 1830 Census listed only one Wright in Lawrence County, Tennessee, and that Wright was 1850 Perrien Wright of Lawrence County. The result is that it is improbable that 1908 Perrin M. Wright was a nephew of 1850 Perrien Wright.

If 1908 Perrin M. Wright were a grandson of 1850 Perrien Wright, then he would have been the son of either John E. Wright or Lorenzo Dow Wright.

1908 Perrin M. Wright was born on November 20, 1831, or in about 1832, but John E. Wright was not married to Martha Atkinson or Adkinson until September 25, 1836. So unless there was a prior, unknown marriage of John E. Wright before his 1836 marriage, 1908 Perrin M. Wright would not have been a son of John E. Wright.

Lorenzo Dow Wright was married on May 12, 1831, in Lawrence County, Tennessee, which would be consistent with a birth of Perrin M. Wright on November 20, 1831, if Elizabeth Lucinda (Hill) Wright were already pregnant at the time of her marriage, or in early 1832 if she were not pregnant when married. As set forth below, the 1840 for Lawrence County, Tennessee, listed Lorenzo Dow Wright with two males in his household, one age 5 to 10 and one age 0 to 5. The younger male would fit for

Lorenzo Dow Wright's son John E. Wright, born in about 1835. The older male would fit Perrin M. Wright who would have been age 9 or 10 in 1840. The result is that Perrin M. Wright could be a son of Lorenzo Dow Wright and Elizabeth Lucinda (Hill) Wright and thus a grandson of 1850 Perrien Wright of Lawrence County, Tennessee.

In addition, 1850 Census for Lawrence County, Tennessee, also listed Elizabeth A. May in the Perren Wright household and this was probably Elizabeth Ann May, the daughter of Lavica or Lovice (Wright) May and the granddaughter of 1850 Perrien Wright. One grandchild in the household suggests that both young people in the household might have been grandchildren, including . However, Elizabeth A. May was also listed in the Fred May household, so it cannot be certain that the Elizabeth A. May in the Perren Wright household was the same person listed twice in the same census.

As set forth above, no probate documents have as yet been found for Lorenzo Dow Wright and so no complete list of his children has as yet been made. If Lorenzo Dow Wright can be traced beyond the 1860 Census for Wayne County, Tennessee, it may be possible to confirm the identification of 1908 Perrin M. Wright of Maury County, Tennessee, as a son of Lorenzo Dow Wright and Elizabeth Lucinda (Hill) Wright.

Although this identification is only a possibility, a substantial amount of information on Perrin M. Wright and his descendants has been collected and, therefore, is presented here for reference in the event further research confirms the identification of 1908 Perrin M. Wright of Maury County, Tennessee, as a son of Lorenzo Dow Wright and Elizabeth Lucinda (Hill) Wright.

However, at her website "Clayton/Wright - Joiner/Ward Family History" at Ancestry.com, Delborah Miles included a copy of the marriage record of Perrin Wright and Priscilla J. Maxwell or Cox on May 3, 1873, at Maury County, Tennessee:

"State of Tennessee – Maury County.

Know all Men by these Presents, That we Perrin Wright G. S. Hogue of the County and State aforesaid, are held and firmly bound unto the State of

Tennessee, in the sum of Twelve Hundred and Fifty Dollars, to which payment, well and truly to be made, we bind ourselves, our heirs, executors, and administrators, jointly, severally, and firmly by these presents.

Witness our hands and seals this the 3 day of May 1873.

The condition of the above obligations is such, That whereas, the above-bound Perrin Wright hath prayed and obtained a License to marry Precilla J. Maxwell. Now if the said Presilla J. Maxwell is residing in the aforesaid County, and there shall not appear any lawful cause why the said Perrin and Precilla should not be joined together in Holy Matrimony as Husband and Wife, then this obligation to be void, otherwise to remain in full force and effect.

It is unclear from this record whether Priscilla's maiden name was Maxwell or Cox and further research will be required to confirm which name is correct.

Tennessee State Marriages, 1780-2002 listed the marriage of P. Wright and Sarah A. Duke on April 22, 1878, in Maury County, Tennessee:

This record indicates that Perrien M. Wright was born in about 1831 and that Sarah Adline (____) (Duke) Wright was born in about 1844. Although Martha Wright was listed as a daughter of Perrien M. Wright, the order of listing of children indicates that she was probably the wife of P. H. Wright and the mother of Eula Wright.

The 1900 Census for Maury County, Tennessee, listed Perion Wright with the following household on June 9, 1900:

This record indicates that Perrien M. Wright was born in November 1834 and that Sarah Adline (____) (Duke) Wright was born in February 1850. The ages of the children indicate that Amanda A. Wright was a child of Perrien M. Wright's second marriage to Mary E. (____) Wright, that Albert Wright and Walter S. Wright were children of Perrien M. Wright's third marriage to Priscilla J. (Cox) Wright, and that Eugene Wright, Richard H. Wright, and Susie Wright were children of his fourth marriage to Sarah Adline (Duke) Wright.

"Lewis Co, Tennessee: Bailey Cemetery Listings" compiled by Mary Bob McClain Richardson and referencing Maury County Tennessee Cemeteries by Fred L. Hawkins, listed the following tombstone for Perrin M. Wright:

> "Wright, Perrin M 20 Nov 1831 - 7 Jun 1908
> (marr 1st to Sarah M Richards; 2nd Martha E. Reed; 3rd Priscilla J ?; 4th to Sarah Adeline Duke; son of Perrin M. & Mary Ann Horton Wright.)"

However, the listing of Perrin M. Wright as a son of Perrin M. Wright and Mary Ann (Horton) Wright is incorrect.

The 1920 Census for Maury County, Tennessee, listed Sarah Wright in the Will Brewer household on June 6, 1920:

It is unclear whether Rick Gray was listing the actual tombstone inscription or was adding additional information from other sources to this listing.

This record indicates that Phillip H. Wright was born in about 1855. Although Martha Wright was listed as a daughter of Perrien M. Wright, the order of listing of children indicates that she was probably the wife of P. H. Wright and the mother of Eula Wright.

Tennessee State Marriages, 1780-2002 listed the marriage of P. H. Wright and S. E. Lindsey on December 5, 1883, at Maury County, Tennessee:

This record indicates that Phillip H. Wright was born in June 1855 and that Martha L. (Bauguss) Wright was born in September 1853. The listing of 10 years as the length of their marriage and two children of the marriage fits for the first two children listed, but not for William G. C. Wright, who apparently was a child of Phillip H. Wright and S. E. (Lindsey) Wright.

The 1910 Census for Maury County, Tennessee, listed Phillip H. Wright with the following household on May 14, 1910:

This record indicates that Phillip H. Wright was born in about 1856 and that Martha L. (Bauguss) Wright was born in about 1855. The handwriting for this record is difficult to read and Morth probably stood for Martha, Day was probably properly Doy, and several words are simply indecipherable.

Arlington Cemetery, Mount Pleasant, Maury County, Tennessee compiled by Rick Gray listed the tombstones of Phillip H. Wright and Martha L. Baugus Wright as follows:

>
> Wright, Marha L. Baugus, 5 Sep 1853 - 8 May 1924 (daughter of Richard Baugus & Eliza Jones; wife of Phillip H. Wright) Section A/K"

The 1880 Census for Maury County, Tennessee, listed Eula Wright in the Parian Wright household on June 12, 1880, and her age as 2 and born in Tennessee, indicating a date of birth in about 1878. (Bauguss) Wright.

The 1910 Census for Maury County, Tennessee, listed Will Wright in the Phillip H. Wright household on May 14, 1910, his relationship as son, his age as 24 and born in Tennessee, indicating a date of birth in about 1886, and his occupation as carpenter on a bridge.

4. Possibly Asheherzade "Zada" (Wright) Sandy, Her Husband Henry Sandy, And Her Descendants

Asheherzade (Wright) Sandy was possibly a daughter of 1850 Perrien Wright of Lawrence County, Tennessee, and Mary Ann (Horton) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], 1850 Perrien[4])

Although the given name of Asheherzade (Wright) Sandy has been spelled in a variety of ways, the various listings all appear to be phonetic spellings of the legendary Persian queen of A Thousand And One Nights, commonly named Scheherazade or Shaharazad or Shahrazad.

Asheherzade (Wright) Sandy has often been listed as the daughter of 1850 Perrien Wright of Lawrence County, Tennessee, and Mary Ann (Horton) Wright. However, no direct documentary evidence has as yet been located confirming that identification. The circumstantial evidence supporting this identification is the following.

The 1830 Census for Lawrence County, Tennessee, listed only one person surnamed Wright and that was Perrien Wright with three females in the household, one age 40 to 50 who would have been his wife Mary Ann (Horton) Wright, one age 15 to 20 who would have been Lavica or Lovice (Wright) May discussed above, and one age 10 to 15 who has not as yet been identified. As set forth below, Asheherzade (Wright) Sandy was born in about 1814 and, therefore, would be about the same age as the youngest female listed in the 1830 Census. Also as set forth below, S. H. Wright married H. Sandy in 1831 in Lawrence County, Tennessee. The 1840 Census listed Perrien Wright with two females in his household, one age 50 to 60 who would have been his wife Mary Ann (Horton) Wright, one age 10 to 15 who has not as yet been identified. This 1840 Census indicates that both younger females in the 1830 Census had married and moved out of Perrien Wright's household, which is consistent with Asheherzade Wright's marriage to Henry Sandy in 1831. The absence of any other Wright family in Lawrence County, Tennessee, in 1830 suggests that the S. H. Wright who married H. Sandy in 1831 was Asheherzade (Wright) Sandy and that she was a daughter of Perrien Wright and Mary Ann (Horton) Wright.

However, as set forth above, the petition dated September 6, 1876, for the sale of the land of 1850 Perrien Wright of Lawrence County, Tennessee, did not list Asheherzade (Wright) Sandy as a child or one of the heirs of Perrien Wright, strongly indicating that she was not one of Perrien Wright's children. This absence of Asheherzade (Wright) Sandy from the list of heirs might be explained by her death prior to the filing of the petition on September 6, 1876. As set forth below, the 1850 Census for Lawrence County, Tennessee, and the 1860 Census for Fulton County, Arkansas, did list Sheherzade Sandy in the Henry Sandy household, but the 1870 Census for Fulton County, Arkansas, did not list her in the Henry Sandy household. These records indicate that Asheherzade (Wright) Sandy was alive and living in Lawrence County, Tennessee, in 1850 when Perrien Wright died, had moved to Fulton County, Arkansas, before 1860, and had died after 1860 and before 1870 and, therefore, may have been left off the list of heirs of Perrien Wright as a deceased child with whom family contact had been lost. The 1876 petition stated that Perrien Wright left only five children at his

death in 1850, whereas the 1850 Census for Lawrence County, Tennessee, makes clear that Asheherzade (Wright) Sandy was living in the same county as Perrien Wright in 1850 and the 1860 Census for Fulton County, Arkansas, makes clear that Asheherzade (Wright) Sandy survived until at least 1860. In addition, if Asheherzade (Wright) Sandy were dead by 1870, then the petition for the sale of land should properly have listed her children as heirs, as the petition did with other children of deceased children. In 1859 the first sale of Perrien Wright's land had been set aside because of minor heirs who had not been give notice of the sale. But the 1876 petition did not list the children of Asheherzade (Wright) Sandy as heirs. These inconsistencies between the 1876 petition and the known facts about Asheherzade (Wright) Sandy indicate that Asheherzade (Wright) Sandy was not a child of Perrien Wright and Mary Ann (Horton) Wright.

There is thus some insufficient circumstantial evidence to identify Asheherzade (Wright) Sandy as a daughter of Perrien Wright and Mary Ann (Horton) Wright and significant documentary evidence that she was not a daughter of Perrien Wright and Mary Ann (Horton) Wright. But since there remains some possibility that Asheherzade (Wright) Sandy was a daughter of Perrien Wright and Mary Ann (Horton) Wright, the information collected on Asheherzade (Wright) Sandy is provided here for ease of reference until the identity of her parents can be confirmed.

C. Probably Phereby (Wright) Smith And Her Husband Henry Smith

Phereby (Wright) Smith was probably a daughter of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

The marriage record of Phereby Wright and Henry Smith was dated on June 2, 1804, at Montgomery County, Virginia, with John Wright as surety:

> "Know all men by these presents that we Henry Smith and John Wright are held & firmly bound unto John Page Esquire Governor of the Commonwealth of Virginia in the just and full sum of One hundred and fifty dollars to which payment well and truly to be made to our said Governor and his successors for the use of the Commonwealth we bind ourselves our heirs executors and administrators jointly and severally firmly by these presents sealed with our seals and dated this 2nd day of June 1804.
>
> The Condition of the above Obligation is such that whereas the above bound Henry Smith hath this day obtained a license for his marriage with Phereby Wright now if there shall be no lawful cause to obstruct said marriage then this obligation to be void else to remain in full force & virtue.
>
> Teste his
> Thos. Bowyer Henry + Smith
> mark
> John Wright"

The role of surety typically indicated a family relationship and this record indicates that Phereby (Wright) Smith was probably a daughter of John Wright (Montgomery County). If Phereby (Wright) Smith was at least 16 years old at the time of her marriage, then her birth was probably before 1789.

The 1810 Census for Montgomery County, Virginia, listed three Henry Smiths, including two Henry Smith, Jr.'s, and the one with a household that would most appropriately fit that of Henry Smith and Phereby (Wright) Smith was the following:

Name of Head of Family	Free White Males	Age	Free White Female	Age	All Other Free Persons	Slaves
Henry Smith, Jr	1	26-45	1	26-45		
	2	0-10	1	0-10		

This record indicates that Phereby (Wright) Smith and Henry Smith, Jr., were born between 1765 and 1784. However, further research will be required to determine whether this Henry Smith or any of the Henry Smiths in Montgomery County, Virginia, in 1810 was the Henry Smith who married Phereby Wright.

D. Smith Wright (Pulaski County), His Wife Rebecca (Barnett or Barrett) Wright, And His Descendants

Smith Wright (Pulaski County) was a son of John Wright (Montgomery County) and Mary (____) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3])

There is no direct documentary evidence that Smith Wright was a son of John Wright, but the circumstantial evidence indicates that this identification is probably correct. The date of birth of Smith Wright between 1790 and 1794 fits with the oldest son in the household of John Wright in the 1810 Census for Montgomery County. Smith Wright resided in Montgomery County, Virginia, in the same district as John Wright (Montgomery County) and for many years only Wrights of the family of John Wright (Montgomery County) were listed in the Personal Property Tax Lists for that district. The residence of Smith Wright shifted with that of John Wright (Montgomery County) to Pulaski County upon the formation of that county in 1839.

This probable identification has been confirmed by the Y-DNA match of Frank Easly Wright, Kit No. 42281, and James Dillon Wright, Kit No. 126181, discussed

above in connection with the identification of John Wright (Montgomery County) as a son of 1815 Joseph Wright of Bedford County.

The 1846 Personal Property Tax List for Pulaski County, Virginia, did not list Smith Wright, but did list his son Crockett Wright. As set forth below, the 1850 Census for Pulaski County, Virginia, listed Smith Wright's wife Rebecca Wright, but did not list Smith Wright. The implication of this evidence is that Smith Wright probably died in late

1845 or early 1846. However, no documents relating to the administration of his estate have as yet been located and further research will be required to confirm his death at this time in Pulaski County, Virginia.

The 1850 Census for Pulaski County, Virginia, listed Rebecca Wright with the following household on August 17, 1850:

This record indicates that Rebecca (Barnett) Wright was born in about 1791 and that Polly Wright was probably the first child of Smith Wright and Rebecca (Barnett) Wright and Isophena(?) Wright was possibly a daughter of Smith Wright and Rebecca (Barnett) Wright. As noted above, the absence of Smith Wright from this household indicates his death prior to 1850.

The marriage record for Crockett A. Wright and Elizabeth Bryant dated ____ 23, 1856, at Franklin County, Virginia, listed his parents as Smith Wright and Rebecca Wright, his age as 30, and born in Pulaski County, indicating the presence of Smith Wright in Pulaski County in about 1826, but Pulaski County was not formed until 1839.

The 1860 Census for Wythe County, Virginia, listed Rebecca Wright in the Madison Whitaker household on July 21, 1860:

Wise County, Virginia, Marriages by Glenda Hinkle listed the marriage of James Wright, son of Smith Wright and Rebecca Wright, and Nancy Collins, daughter of Moden Meyers and Elizabeth Meyers, on June 19, 1870, at Wise County, Virginia.

In her letter dated February 18, 1998, Cindy Driscoll enclosed family group sheets which stated that Smith Wright married Rebecca Barnett on May 16, 1812, in Montgomery County, Virginia, that Rebecca (Barnett) Wright was born in 1791, and that Smith Wright and Rebecca (Barnett) Wright had the following child:

1) Crockett Anderson Wright, born on April 15, 1823, in Pulaski County, Virginia.

Smith Wright and His Descendants by Vivian Wright Scott stated that Smith Wright married Rebecca Barnett and that Smith Wright and Rebecca (Barnett) Wright had the following child:

1) Crockett Anderson Wright, born on April 15, 1823, in Pulaski County, Virginia.

From the evidence set forth above and additional evidence set forth below, the children of Smith Wright (Montgomery County) and Rebecca (Barnett) Wright were the following:

1) Probably Polly Wright, born in about 1814 in Virginia

2) Crockett Anderson Wright, born on April 15, 1823, or in August 1824, or in about 1826 in Pulaski County, Virginia.

3) Isophena or Isophenia or Josephine (Wright) Whitaker, born in about 1831 in Virginia, and

4) James Wright.

1. Probably Polly Wright

Polly Wright was probably a daughter of Smith Wright (Montgomery County) and Rebecca (Barnett) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], Smith[4])

The 1850 Census for Pulaski County, Virginia, listed Polly Wright in the Rebecca Wright household on August 17, 1850, and her age as 36 and born in Virginia, indicating a date of birth in about 1814. This date of birth would fit the marriage record of Smith Wright and Rebecca (Barnett) Wright and the census records for their household, but further research will be required to confirm her identification as a daughter of Smith Wright and Rebecca (Barnett) Wright.

2. 1901 Crockett Anderson Wright Of Franklin County, His Wives Elizabeth Or Eliza E. (Shively) Wright And Ruth Elizabeth (Bryant) Wright, And His Descendants

1901 Crockett Anderson Wright of Franklin County was the son of Smith Wright (Montgomery County) and Rebecca (Barnett) Wright. (1763 Thomas[1], 1815 Joseph[2], John[3], Smith[4])

The 1844 Personal Property Tax List for Pulaski County, Virginia, listed Smith Wright with two males over 16 in the household. The second male was probably Smith Wright's son Crockett Wright who had by then attained the age of at least 16 years.

The 1846 Personal Property Tax List for Pulaski County, Virginia, listed Crockett Wright with the following household:

Persons chargeable with Tax	White males above 16 years of age	Slaves above 16 years of age	Slaves above 12 years of age	Horses mules &c
